## Summary

---

Backend developer with hands-on experience in building and deploying secure, scalable applications using **Node.js, Express, and SQL**. Successfully delivered 3 full-stack projects featuring **REST APIs, JWT authentication, and WebSocket-based communication**. Strong communicator with **5+ years of customer service experience** and a proven ability to solve problems in high-pressure environments. **Available to start immediately and contribute from day one.** 🌐 Check out **My Portfolio** at [uyenvu078.github.io/Portfolio-UyenVu](https://uyenvu078.github.io/Portfolio-UyenVu).

## Technical Skills

---

**Languages:** JavaScript (ES6+), TypeScript, HTML5, CSS3

**Backend:** Node.js, Express, REST APIs, GraphQL, WebSockets

**Frontend:** React, Next.js, Bootstrap, React Query

**Databases:** PostgreSQL, MySQL, MongoDB

**Tools:** Git, GitHub, VS Code, Agile, Unit Testing, Debugging

## Projects

---

*React, Node.js, SQL, JWT*

*E-Commerce Platform*

- Developed full-stack app with JWT auth, REST APIs, and PostgreSQL.
- Optimized queries for faster load times; implemented cart and order features.
- Created responsive UI with product filtering and search.

*Socket.io, MongoDB, React*

*Real-Time Chat App*

- Built real-time messaging with Socket.io and persistent user profiles.
- Stored chat history and handled room-based routing with MongoDB.

*React, Node.js, MongoDB*

*Task Manager*

- Created CRUD-based productivity app with drag-and-drop UI.
- Implemented role-based access and real-time state syncing.

## Experience

---

*Customer Service Professional*

**Various Employers**

2018–2025

- Resolved customer issues with **95%+ satisfaction rate**.
- Built skills in communication, multitasking, and fast-paced teamwork.

## Education

---

**University of Houston**

*B.S. in Computer Science*

Minor: Business Administration

Relevant: Data Structures, Databases, Web Development, Software Engineering

May 2025 (Expected)

## Additional

---

**Languages:** English (Fluent), Vietnamese (Native)

**Soft Skills:** Communication, Adaptability, Debugging, Time Management
